CLAIMS BIG SUM

NEW YORK STREET RAILWAY IN RECEIV ERS' HANDS

SUIT IS BROUGHT FOR DISSOLUTION

Rotten Management, If Not Downright Stealing, 18 Alleged.

New York, Oct. 3 -- On application | of the company's attorneys the Metropolitan Street rallway company was

The company asked that it be made party defendent to the action recently taken amiliat the New York City railsel the application to include the Met roscittan Street radiuty company and named Adrain H. Joline and Douglass Robinson as receivors for the Metro-politics as well as the New York City railway company.

The New York Cits rallway com pany is under a guarantee as the les see to pay 7 per can dividends on the stock of the Metropolitan company. The Metropolitan company did not earn this dividend. The New York City Street railway company lost in excess of \$6,500,000 through the Metropoli'an leass and went into the hands of receivers a few days ago.

As a recult of today's proceedings the same receivers will administer the affairs of the two companies.

State Attorney General Jackson be sug action today calling for the dissoutlen of the New York City Street raffway company and for the appoint ment of a receiver for the Metropolitan Street railway company. The ap plication was made to Justice Ford of the New York Supreme court while the grevious receivership action had been taken before a Federal court

Justice Ford gratued an order for the companies to show cause why such action should not be allowed and also granted an order for H. H. Vrerland of the Metropolitan company and cause why they should not render an

cities wasted almost \$3,000,300 or bave not accounted for a sum agreemt will follow the example.

this sum almornting to shout \$193, 100,175 (d) wile, is more than \$80,000 per mile h excess of what would be reasonable and fair cost of such

It is further charged that the deread commission on June 30, 1961, that the amount due from subsidiary empanies on that date was \$2,245,589 and that the following year the balnce from the lesser companies as of | une 39, 1901, was stated to be \$5,245,

The defendants have never accounted for the difference of \$3,000,000, mays be petition of the attorney general, Further charges are made by the attorney general, among them one that the company claimed that \$509. 900 per mile was expended for tracks

on the Thirty-harth street line.
The Metropolitan company has a capital stock of \$52,000,000 and has a tunded debt of \$49,000,000. The com-'Ce traction Baes on Manhattan Is-

The company pald five per cent dividneds up to the close of 1898. In 1899, the dividend was increased to 7 perent, although according to company's latement 7 per cent was not earned

n 1902 the New York City railway ompany was formed and this commny leased the lines of the Metropol tion company under a guarantee to pay 7 per cent on the Metrocolpan stock. Tals burden proved too much or the New York City Street un'was ofpany and it went into bankruptey a few days ago, its Anancia valutement the sing heavy losses from the time it im Tormation.

The Metropolitan Street railway system was taken into the Interbomah Metropolitan company which the esevated, subway and sur-

face lines were consolidated. August Belmont, chaltman of the Interborough Ranid Transit company, which operates the subway and elevated lines, said a few days ago that his then would not be affected by the failure of the surface lines.
